

Love Bank Missions Program

**Thank you for participating in the
*Love Bank Missions Program!***

This fundraising project is for *Dresses for Orphans*, a nonprofit ministry in Mesa, Arizona, that sews dresses and shirts for orphans worldwide. They work with Christian organizations in the United States who deliver the outfits to the children in their care.

This program offers individuals a way to partner with them in providing these outfits. It costs an average of \$3.75 to make a beautiful new outfit for a boy or girl. All funds received through the *Love Bank* go directly to buying supplies for these dresses and shirts.

The *Love Bank* is intended to help parents and their kids think globally and empower them to make a difference in the lives of orphans. It's a way for each family to participate in providing new outfits for orphans by collecting coins during the fundraising period.

The goal is to put as many coins in the 'bank' as possible in the time period given. You can use your loose change and also ask family members, friends, neighbors, or co-workers to participate with you in this mission program. *Be creative!*

Please return the *Love Bank* to the place and time as instructed.
